

What Kindergarteners Will Use and Will Not Use in School:

Will Use:

- Glue sticks (We run out of these frequently!)
- Lunch box - for his/her lunch and snack
- Backpack - When purchasing a backpack, please choose a backpack (no wheels, please) that will easily fit a 9"x12" home/school folder (the folder is provided by the PTG - no need to buy one) and their lunch box.
- 1 **clear** plastic ZIPPER pencil case (This is for their lunch token if they are buying lunch. **Clear is best so we can see their lunch choice and token easily.**)
- Also, a framed photo of each new Kindergartner with their family to place on our window-sill (4x6 size, in a frame that "stands" on a shelf). The photos are a great way for me to show off my new friends, as well as, for them to feel "at home" in their new classroom.

Your child will **NOT** need the following items:

Toys from home, extra folders, notebooks, pencil boxes, pencil sharpeners, pencils, pens, markers, skinny crayons, erasers, scissors etc.

Extra items that we are not using in school can become distracting, not only to your child but to other children as well. They also often get lost or broken and cause another set of problems.
